Re: Ohio STS) Discount Schedule

Dear Mr. Steven Hunter;

Bomag Americas, Inc. (HYPAC) offers the following discounts to the State of Ohio.
The discounts are model specific for the enclosed 2008 price lists (Effective 10/1/08).

<u>Model</u>	<u>Discount From List</u>
C330B (3/5 TON)	31%
C330B (4/6 TON)	31%
C340C (5/8 & 8/10 TON)	31%
C350D (8/12 & 10/14 TON)	31%
C530AH	31%
C560B	31%
C747C	31%
C754B	31%
C766D, C778D	31%
C784	31%
C810C Series	31%
C820C Series	31%
C830D, C840D, C850D Series	31%
Service Parts	0%

Thank you for the opportunity to quote our product.

Sincerely

Greg Shipley

PRICE LIST COMPACTION EQUIPMENT

Product	Description	LIST Price	QTY	Extended List Price
83600017	BM1000/30 MILLING MACHINE 39,242 lb (17,800 kg) operating weight - Caterpillar model 3126B turbocharged, water cooled diesel engine rated at 275 horsepower at 2400 RPM 40 in. (1000 mm) wide milling drum with triple wrap, fast change, bolt on, 104 tooth holder system designed by Kennametal 12.6 in. (320 mm) maximum cutting depth with INTELPLANER automatic controls and digital display - Power band direct drum drive system with automatic tensioner - Automatic drum load sensing system to regulate cutting speed - Full width drum access door w/ carbide insert moldboard edges - Hydraulically operated side drum access plates. - Automatic grade control - Water spray bar in drum housing for tool bit cooling and lubrication - Water spray bar on lower conveyor - Two stage, hydraulic drive, variable speed, reversible conveyor system w/ 24 in. (600 mm) wide belts and metal covers - High resistance polyurethane track pads - Independent front and rear steering with crab & claw steer features and electrically controlled rear steering - Hydraulic differential lock for track drive 132 gallon fuel tank 264 gallon water tank - Digital instrument panel with readout for engine functions - Adjustable operator's seat with right side, "over the cut" positioning - Auxiliary control panel that functions from the ground or the operator's platform - Back up alarm and flashing beacon light - Set of 8 work lamps for night operation 24 volt electrical system - Lockable vandal-proof compartment access doors - Engine compartment soundproofing - Lockable toolbox with complete tool set - Filter set for first service The BOMAG BM1000/30 comes equipped with each of these features which are generally offered by competitive manufacturers on similar models as optional items at an additional cost: - Folding conveyor - Automatic coordinated front-rear steering - Automatic slope control - Emergency electric/hydraulic operations pump
