Pourquoi n'utiliser que des pièces de rechange d'origine Haulotte ?

1. REMISE EN CAUSE DE LA DECLARATION DE CONFORMITE CE

Les remplacements ou modifications de composants autres que ceux recommandés par **Pinguely-Haulotte**, peuvent remettre en cause les conditions initiales de la sécurité de notre matériel **Haulotte**.

Toute opération de ce type sur notre matériel **Haulotte** sera à la charge entière de celui qui sera intervenu et mettra en cause la validité du marquage CE délivré par **Pinguely-Haulotte**. La déclaration CE de conformité devient caduque et **Pinguely-Haulotte** dégage sa responsabilité réglementaire.

2. ARRET DE LA GARANTIE

La garantie contractuelle offerte par **Pinguely-Haulotte** sur ses équipements **Haulotte** n'est plus opposable à **Pinguely-Haulotte** dès que vous utilisez des pièces de rechange autres que les pièces d'origine.

3. RESPONSABILITE CIVILE ET PENALE

La contrefaçon et la concurrence déloyale de pièces sont condamnées par la loi civile et pénale.

La contrefaçon engage la responsabilité civile et pénale du fabricant, du revendeur, voir dans certains cas de l'utilisateur des pièces de contrefaçon.

La concurrence déloyale engage la responsabilité civile du fabricant du revendeur d'une « copie servile » qui tirant de cette opération un avantage injustifié, fausse, les règles normales de la concurrence et réalise un acte de « parasitisme » en détournant les efforts de conception, de mise au point, de recherche de la meilleure adéquation, et le savoir faire de **Pinguely-Haulotte**.

POURQUOI PRENDRE DES RISQUES INUTILES ?

POUR VOTRE SECURITE , EXIGEZ DES PIECES D'ORIGINE HAULOTTE

4. QUALITE

L'utilisation de pièces d'origines **Pinguely-Haulotte** c'est l'assurance :

- D'un contrôle qualité performant
- Des dernières évolutions technologiques
- D'une parfaite sécurité
- De meilleures performances
- D'une meilleure durée de vie de votre équipement **Haulotte**
- De la garantie **Pinguely-Haulotte**
- Du support technique de nos techniciens et agents réparateurs

5. DISPONIBILITE

Utiliser des pièces d'origine **Pinguely-Haulotte**, c'est profiter de la disponibilité de 40 000 références en stock permanent et d'un taux de service de 98%.

POURQUOI NE PAS EN PROFITER ?

Why use only Haulotte original spare-parts ?

1. RECALLING THE EEC DECLARATION OF CONFORMITY IN QUESTION

Components, substitutions, or modifications other than the ones recommended by **Pinguely-Haulotte** may recall in question the initial security conditions of our **Haulotte** equipment. The person who would have intervened for any operation of this kind will take responsibility and recall in question the EEC marking validity granted by **Pinguely-Haulotte**. The EEC declaration will become null and void and **Pinguely-Haulotte** will disclaim regulation responsibility.

2. END OF THE WARRANTY

The contractual warranty offered by **Pinguely-Haulotte** for its equipment will no longer be applied after spare-parts other than original ones are used.

3. PUBLIC AND PENAL LIABILITY

The manufacture and unfair competition of fake spare-parts will be sentenced by public and penal law. The usage of fake spare-parts will invoke the civil and penal liability of the manufacturer, of the retailer, and, in some cases, of the person who used the fake spare-parts.

Unfair competition invokes the civil liability of the manufacturer and the retailer of a “slavish copy” which, taking unjustified advantage of this operation, distorts the normal rules of competition and creates a “parasitism” act by diverting efforts of design, perfection, research of best suitability, and the know-how of **Pinguely-Haulotte**.

FOR YOUR SECURITY, REQUIRE HAULOTTE ORIGINAL SPARE-PARTS

4. QUALITY

Using **Pinguely-Haulotte** original spare-parts means guarantee of :

- Efficient quality control
