

USB CHARGER ACCESSORIES

IMPROVE OPERATOR CONVENIENCE

Conveniently located near the platform console, the USB Charger kit provides charging capacity for electronic devices at the operator platform. Keep your operators phones, tablets, etc., charged and ready for use while working at any height on the boom lift.

FEATURES AND BENEFITS:

- Located near the platform console for convenience
- Usable at any height
- Keep electronic devices charged and ready for use
- Cap provides environmental protection when not in use
