

MORBARK® 30 WCL TRACK CHIPARVESTOR®

BENEFITS

- The largest in the line, the Morbark Model 30 Chiparvestor is designed for power! This aggressive machine features a chipper disc that is 5" thick and weighs 8,000 lbs., making it perfect for the toughest of jobs.
- The powerful Caterpillar 330L undercarriage with 700mm double grouser pads enables you to traverse uneven, rough terrain with ease.
- The huge 30" capacity and 83" disc allows you to chip large volumes of wood.
- Like all Morbark equipment, the 30 Chiparvestor is a long-lasting, durable machine backed by a world-class parts and service support team.

Chipper Disc

Each disc is fabricated from plate steel and put through ultrasonic testing. Material certification is issued for each disc, which provides the best chipper disc in the industry.

Feed System

Powerful multi-wheel feed system provides positive feed of logs and tops for excellent chip quality.

Operator's Cab

Roomy, climate-controlled cabs are equipped with comfortable seats, joystick controls and full instrumentation.

Morbark Integrated Control Systems

This ultimate diagnostic system monitors pressures, temperatures, clutch systems and engine efficiency to maximize performance.

SPECIFICATIONS

SPECIFICATIONS MAY VARY WITH EQUIPMENT OPTIONS 2/25/10

General

Length 32'11"
Height 11'11"
Width 11'10"
Gross weight 92,600 lbs.
Horsepower 800-1050 HP
Engine CAT or Cummins
Fuel capacity (tank) 400 gallons
Hydraulic oil capacity 300 gallons

Chipper

30" diameter chipping capacity
83" diameter x 5" thick three-knife chipper disc with LH rotation
Knives (3): 23" x 5" x 1/2"
Chip sizes: 5/8", 3/4", 7/8", 1", 1-1/4", 2"
Hydraulic chipper hood for easy knife access

Feed System

Four-wheel hydraulic feed wheel compression system
Heavy-duty feed works drive
Electric warning horns activated from cab and/or ground position on both sides of machine

Cab and Loader

Enclosed weatherized operator's cab lowers hydraulically for transport
Combination air conditioner/heater
Six-way adjustable seat and joystick controls
Morbark 500 knuckleboom loader, 23' reach, 180° swing and by-pass grapple
Lift capacity of 17,200 lbs. at 10'

Options

Air Compressor
Halogen light package
ESPAR heating system for cold weather start
Reversing Fan
270° hydraulic powered swivel end discharge spout
330EL Caterpillar undercarriage with 750mm triple grouser pads with ground clearance of 20"
Infeed extension to hydraulic fold up 90° for transport
