

By fitting an original specification hitch, you can be assured that your tractor's performance is not compromised. Repaired and re-welded hitches do not offer the safety and reliability of Genuine New Holland Parts.

Assembly

Kit contains all parts in the diagram

New Holland Parts

Original New Holland Parts are designed and produced to the same high quality as all New Holland products.

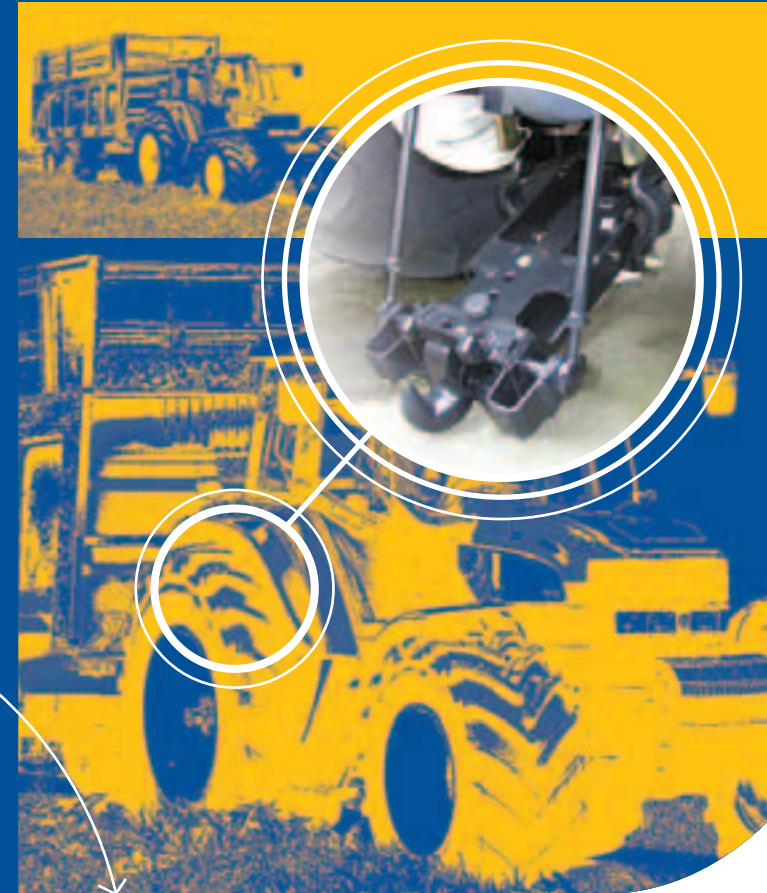

By fitting Original Parts and regular servicing by a New Holland dealer, New Holland machinery will continue to offer outstanding performance.

Benefits:

- Extended working life
- Greater productivity
- Lower running costs
- Safe operating environment
- Higher Resale Value

ADVANTAGE PLUS

Safety critical

The pick-up hitch is a safety critical component on your tractor – **DON'T CUT CORNERS** – only use original New Holland Swing Back pick-up hitches and replacement components.

NEW HOLLAND IS A BRAND OF CNH.
CNH: A WORLD-LEADING MANUFACTURER OF TRACTORS, COMBINES AND BALERS.

Swing Back pick-up hitches

Swing Back pick-up hitches

Save more than £300! / £430!

Purchasing the Swing Back pick-up hitch assembly represents a significant cost saving over the sum of the parts. There has never been a more cost-effective way to maintain this important component.

Original part

S40 £725 / €1065
S60 £795 / €1165

The cost of not replacing could be much, much more!
